SHRM's Steps toward Success!

While many Fresno State students were getting familiar with their classes, Fresno State's SHRM was ready for a new semester! President, Gladys Balallo and Director of Public relations, Lauren DeLaverde, had Rush Week all planned out. Posters were created and flyers were put together. Rush Week was a great opportunity for SHRM to recruit new members and let them be a part of the great organization. Members can benefit from great opportunities such as; Networking, Internship/job shadowing, professional development, company tours, Social events, new friends and much more! It's never too late to join SHRM so come see what our great organization is all about!

A note from your Vice President:

Again thank you for your interest in SHRM. I highly recommend joining our organization and actively participating in our events. We are **NATIONALLY** recognized and provide our members with opportunities that will help them with their careers. (Opportunities that one may not necessarily receive from going to class alone.) If you have any questions at all regarding our organization, please feel free to contact me, or any of the other officers. I hope to see you at this Thursday's meeting!

SHRM's Social at CAL SKATE

SHRM held its 2nd social event of the semester at CAL SKATE on September 30, 2010. Shina Cesar, *Director of Fundraising and Events* organized the successful event in where members had the opportunity to socialize and of course SKATE!

Tour of Children's Hospital, Central California

On Wednesday September 22, 2010 SHRM members toured the facilities of Children's Hospital of Central California. Dennis Yee, CHCR Recruitment Consultant showed member around the hospital and introduced them to the HR department. It was a great educational experience in where members talked with HR professionals about their roles in the hospital.

HRACC Luncheon

Human Resource Association of Central California (HRACC) is an affiliated chapter of SHRM and on every 3rd Tuesday of every month HRACC hosts a luncheon for HR managers across the Central Valley. This is the perfect opportunity for members to network with hundreds of professionals around the Central Valley. Our very own Dr. Sanchez was the guest speaker for September's luncheon! Contact Yury Sanchez at ylsanchez@mail.fresnostate.edu if you would like to attend the upcoming luncheons!

Upcoming Community Service

"Susan G. Koman Race for the Cure"

On October 23, 2010, SHRM members will show support for their community by volunteering at the "Susan G. Koman Race for the Cure, Central California" event at California State University, Fresno. SHRM members will donate their time and join Jumpstart with their arts and crafts booth. This event will help raise money towards fighting breast cancer in our community. Join us! We can all make a difference.
